Property Description

This unique townhouse is located in a magnificent residential development situated on a gentle hillside in one of the most sought after locations in scenic western Cyprus. This development is located on the edge of the Akamas Peninsula national park and all quality properties enjoy stunning sea or mountain views. The townhouse has access to a large approx. 25x7m residents' swimming pool surrounded by a tranquil paved relaxation area, ideal for working on that tan or simply enjoying a good book. The townhouse is set in landscaped private grounds adjacent to a large green area where indigenous trees and shrubs create a veil of privacy along the banks of a natural stream. The layout and orientation of all properties on this exclusive development have been carefully designed to optimise both residents' privacy and the views afforded of the superb Mediterranean surroundings.

Location Description

Peyia is a town in the Pafos District of Cyprus. Peyia is situated mainly on the steep slopes of the coastal hills inland from Coral Bay, at the southern end of the Akamas Peninsula, and it lies 14 km north of Pafos. It has a large population of British ex-pats and a growing number of holiday homes and apartments. In the town centre can be found a town hall, church, police station and several small shops, restaurants and banks. Due to its hillside location many parts of the town offer views over Coral Bay and Pafos.
